

Public Comment Form Highland Heights Comprehensive Plan 2024

The entire Highland Heights Comprehensive Plan, including Goals and Objectives can be viewed at <https://hhky.com>

This two page Comment Form can be hand-delivered to the Highland Heights City Building located at 176 Johns Hill Rd. or any comments and questions can be emailed to the city planner at davegeohegan@hhky.com.

What are your thoughts on Highland Heights annexing land for new development?

What do you think about the condition of the commercial areas in the city?

What should be done to ensure or improve Pedestrian Safety in the city?

Are there enough pedestrian/bike trails in Highland Heights?

Is it a good idea to mix residential and commercial land uses in the same building?

What type of new residential development should be built in Highland Heights?

Should Highland Heights promote more attached or multifamily housing?

How should the city and NKU work together on new development or on university-owned property?

How should the city address college-town issues?

Do you believe NKU event traffic is dealt with sufficiently – any suggestions?

What are the strengths and weaknesses of the streetscape, visual character of the US 27 corridor? Is our business district up-to-date in appearance?

Is the city's building architecture and landscaping attractive along US 27?

Where do you think road connections should be provided?

Any suggestions on the provision of bus service? _____

Do you favor the old-style grid system of streets in the downtown area?

Do you favor multi-story, multi-use buildings vs. big-box or suburban retail?

What types of commercial businesses should the city be pursuing?

What types of new public gathering spaces should be built?
