

FOR IMMEDIATE RELEASE

Poplar Ridge Road Closed for Landslide Repairs

Campbell County, KY (February 17, 2026) - Campbell County will close Poplar Ridge Road starting Tuesday, February 17, 2026, to allow the Campbell County Road Department to complete landslide repairs and install a road support wall. This restriction is necessary to protect road crews and provide the work zone space needed for heavy equipment and construction activity.

Work is expected to take about six weeks, but the schedule is weather dependent.

Help Keep Road Crews Safe During Roadwork

- Please obey all road closed signs and barricades.
- Do not move or drive around barricades.
- Avoid the area and use alternate routes.
- Expect construction traffic and changing conditions near the work zone.
- This restriction is in place to give crews the safest possible environment to complete repairs.
